Girlawhirl Gift Guide: Gifts for Super Pals and Sisters

Dec. 6., 2005

Girlawhirl doesn't know where she would be without the love, support and laughter she shares with her Super Pals and sisters. Even though she's on the lookout for gifts for them all throughout the year, at the holidays she pulls out all the stops, searching for either perfection in a gift or something that suits everyone so she can purchase en masse. This season, she's thinking sparkle, shine and glamour...

- Just for fun, Girlawhirl is thinking about using cool and [colorful clutches](#) by Amici accessories or [embroidered totes](#) from Susse to wrap up all the gifts for her sisters and super Pals. Find them at www.ConversationPcs.com |
